General Information

You are employed by the University of Tennessee
and
You are insured by the State of Tennessee.

The State makes all the decisions about coverage, premiums and management of plans

- **Your Department pays about 80% of the medical insurance monthly premium** for employees and dependents. This covers medical, behavioral health and pharmacy services.
- **IMPORTANT:** Some decisions can only be made, without health questions, during your new hire period. Please be aware of all the options available to you and make informed decisions, in a timely manner (within your 30 day window).
- Always submit questions and paperwork to your **Agency Benefits Coordinator (ABC)**
- The monitored, dedicated email for benefits is: **utinsurance@tennessee.edu**

For detailed information, refer to the Eligibility and Enrollment Guide (below) found online under Publications.
Who is Eligible for Coverage?

Employees
• Full-time employees regularly scheduled to work at least 30 hours per week

Dependents
If you enroll in health, vision or dental coverage, you may also enroll your eligible dependents:
• Spouse (legally married)

• Natural or adopted children or Stepchildren up to age 26

• Children for whom you are the legal guardian, custodian or conservator. Special circumstances for disabled dependents may allow for coverage after age 26. Consult your ABC for more information

• Employees cannot be enrolled as both the head of contract and dependent within the State Plan. See the Eligibility and Enrollment Guide for details.

tn.gov/PartnersForHealth
When Does Coverage Begin?

- For health, dental, vision, disability and basic term life/ voluntary AD&D, coverage will begin on the first day of the month after one full calendar month of employment from your hire date. Example: Hired on Sept. 15 – coverage will begin Nov. 1
- Voluntary term life insurance begins after three full calendar months from employee/eligibility.
- If you have questions, ask your ABC.

When are Premiums Paid?

- Monthly employees will have all premiums deducted on each monthly pay cycle. You will see your premiums deducted the month before your insurance is effective, as we pay a month ahead for insurance.
- Bi-Weekly employees will have medical premiums, optional ADD and basic life deducted on the first pay ending cycle of the month AND
  - All other optionals (dental, vision, STD, etc) deducted the second pay ending cycle of the month.
  - LTD first deduction will be the month of the effective date.
- If you do submit your benefit enrollments late in the 30 day window, in some instances, you could end up with a double deduction from your paycheck the first month of enrollment.
When Can You Add Coverage?

There are three times you may add coverage:

• **As a new employee** – **You have 30 days starting with your hire date to enroll in coverage**

• **Annual Enrollment is usually the first two weeks in October, for 1/1 effective dates**
  • Annual Enrollment occurs during the fall. Benefit information will be mailed about changes and what is offered for the following year and provided in detail on the website.
  • Enrollment information is also emailed to those who have current email addresses in Edison. We encourage you to make sure your email information is in Edison but you can opt out of these emails.

• **During Special Enrollment Qualifying Events:**
  • Loss or gain of dependents; loss or gain of other coverage to name a few.
  • You have 60 days from the loss or gain of other coverage to notify our office
  • The Enrollment Change Application lists all of the Special Enrollment Qualifying Events on page three

• **Bottom Line** – if you have a family status or insurance change, contact the Insurance office.

[tn.gov/PartnersForHealth]
Canceling Coverage

Outside of the Annual Enrollment period, you can only cancel coverage (other than disability and voluntary term life insurance) for yourself and/or your covered dependents, IF:

• You lose eligibility for the State Group Insurance Program (e.g., changing from full-time to part-time)
• You experience a special qualifying event, family status change or other qualifying event.

Cancelling coverage in the middle of the plan year: You may only cancel coverage for yourself and/or your dependents in the middle of the plan year if you lose eligibility or have an event that results in you/your dependents becoming newly eligible for coverage under another plan. There are no exceptions.

• You have 60 days from the date that you and/or your dependents become newly eligible for other coverage to turn in an application and proof to your agency benefits coordinator.
• Examples: Marriage, divorce, legal separation, annulment, birth, adoption, death of a spouse, new employment, entitlement to Medicare, Medicaid or TRICARE, court decree or order
• See the Eligibility & Enrollment Guide for details

tn.gov/PartnersForHealth
Special Qualifying Events

If you or a dependent lose eligibility for coverage under any other group health insurance plan, or if you acquire a new dependent during the plan year, the federal Health Insurance Portability and Accountability Act may provide additional opportunities for you and eligible dependents to enroll in health coverage.

Mid-Year Elections for Voluntary Programs — You or eligible dependents may also enroll mid-year in voluntary dental, vision, disability and voluntary term life if you meet the requirements for a Special Qualifying Event.

• NOTE: Application for special enrollment or a mid-year election change must be made:
  • within 60 days of the loss of eligibility for other health insurance coverage; or
  • within 30 days of a new dependent’s acquire date.

You must also submit proof as listed on the enrollment application. See the Eligibility & Enrollment Guide for details.

Choosing Your Premium Level

Four premium levels for health, dental and vision coverage are available:

- Employee Only
- Employee + Child(ren)
- Employee + Spouse
- Employee + Spouse + Child(ren)

- You may choose the same or different levels for health, dental and vision.
- If you enroll as a family, which is any coverage level other than Employee Only, all of you must enroll in the same health, dental and vision options.
- If you have children, one of you can choose Employee Only and the other can choose Employee + Child(ren). Then you can each choose your own benefit option and carrier.
- If you and your spouse are both in the State Plan, think about choosing coverage as the head of contract. Higher Ed employees can get a higher level of basic term life insurance coverage as the head of contract.

tn.gov/PartnersForHealth
Health Plan Options

You have the choice of three health plans

- Preventive care is free in all plans if you use an in-network provider
- See the full plan options comparison chart on the Health Options > Health webpage

Comparison of the three plans:

- **Premier Preferred Provider Organization:** Higher monthly premium – but lower out-of-pocket costs for deductible, copays and coinsurance
- **Standard PPO:** Lower monthly premium than the Premier PPO – but higher out-of-pocket costs for deductible, copays and coinsurance
- **Consumer-driven Health plan with a health savings account, or CDHP/HSA:** Lowest monthly premium – but you pay your deductible first before the plan pays anything for most services. Then you pay coinsurance, not copays.

Health Plan Options

More about the CDHP/HSA

- State puts $250 (employee only) or $500 (all other tiers) into your HSA
  - This money applies to your yearly maximum contribution amount (see below)
  - State HSA contribution is not available if your coverage starts Sept. 2, 2022, through Dec. 31, 2022
- The HSA can help you save for health care costs, you get tax benefits, the money rolls over each year and you keep the money if you leave/retire
- Learn more at tn.gov/PartnersForHealth under CDHP/HSA Insurance Options

HSA IRS max contributions – there are limits on how much money you can put in your HSA each year:

- $3,650 for employee-only coverage in 2022
- $7,300 for all other family tiers in 2022
- Members 55 or older can contribute $1,000 more each year

These limits include the $250/$500 you receive from your employer and any wellness incentive funds you may earn and add to your account (state only)

tn.gov/PartnersForHealth
More CDHP/HSA Information

- **Important!** Your full HSA contribution is **not** available upfront after you enroll. Your pledged amount is taken out of each paycheck. You may only spend the money in your HSA at the time of service or care. You can pay out of your own pocket for services and pay yourself back later with funds from your HSA.

- **Debit card:** Newly enrolled CDHP/HSA members get a debit card from Optum Financial to use for qualified expenses.

- If you enroll in Social Security at age 65, you will automatically be enrolled in Medicare Part A. If enrolled in a CDHP, this may have tax consequences and affect your HSA contribution. Consult with your tax advisor for advice.

[tn.gov/PartnersForHealth](http://tn.gov/PartnersForHealth)
CDHP/HSA restrictions: You **cannot** enroll in a CDHP if:

- You are also enrolled in another medical plan, including a PPO, your spouse's plan or any government plan (e.g., Medicare A and/or B, Medicaid, TRICARE or Social Security benefits)

- You have received Department of Veterans Affairs benefits within the past three months, except for preventive care. If you are a veteran with a disability rating from the VA, this exclusion does not apply. If you are eligible for VA medical benefits but did not receive benefits during the preceding three months, you can enroll in and make contributions to your HSA. If you receive VA benefits in the future, you are not entitled to contribute to your account for another three months. However, if your veteran’s hospital care or medical service was for a service-connected disability, you may contribute to your HSA

- You have received care from the Indian Health Services within the past three months

HSA/FSA restrictions: You **cannot** enroll in the CDHP/HSA if either you or your spouse have a medical FSA or a health reimbursement account, known as an HRA, at either employer. If you have one available, you can enroll in a limited purpose FSA for dental and vision costs.

Choose between four carrier networks for your medical care

- Each network has providers (doctors, hospitals, facilities) throughout Tennessee and across the country.

<tbody>
<tr>

<td>LocalPlus</td>

BCBST Network S and Cigna LocalPlus networks do not include all the hospitals and providers found in the broad networks to keep your premiums, claim costs and rate increases low.

BCBST Network P and Cigna OAP broad networks give you more hospital choices but have an additional monthly cost* added to your monthly premium. You may also pay more per claim because the costs for services in these networks are generally higher than the narrow networks.

*Additional monthly premium cost: $65 more each month for employee only or employee + child(ren) coverage; $130 more each month for employee + spouse or employee + spouse + child(ren) coverage

Carrier Networks

How to check the networks
