Big news at EOD. Our longtime executive director, Ron Tredway, has announced his August retirement. Our new head is already a familiar face at UT—Izetta Slade, the current executive director of UTK Human Resources. We'll miss you, Ron. But welcome aboard, Izetta!

Coming soon—a new interface to register for classes in K@TE. The update is scheduled to roll out on Aug. 7. [Here's a sneak peek at how to use it.](#)

The Customer Relations & Communication certificate program (live training, taught via ZOOM) begins on Aug 13 and there are still spots available. [Certificate information available here](#) and a [link to the registration in K@TE is here.](#)

Remember that the “Recognizing and Mitigating Unconscious Bias” certificate will only be accessible through the end of September, so seize your chance, if you haven't already. It's been a very popular training. [Register here.](#)
