The featured speaker for International Education Week is Sandra Uwiringiyimana, author of *How Dare the Sun Rise*. An immigrant from the Democratic Republic of the Congo, Uwiringiyimana tells the story of her survival, finding her place in a new country, her hope for the future, and how she found a way to give voice to her people. You can hear her speak on Wednesday 11/18 from 6:00-7:00 pm.
