Welcome to the University of Tennessee System!

We are excited to add you to the UT family!

Are you a previous member?

- Were you enrolled previously in a Tennessee retirement plan (TCRS or ORP)?
- You can find contact information for TCRS or ORP vendors on our website at <https://payroll.tennessee.edu/retirement/plans/>.
- You can restart deferred compensation deductions by going online at <https://retirereadytn.empower-retirement.com/participant/#/login> for the 401(k) and 457. You will need to complete the SRA form to start 403b deductions [New/Change 403b Form](#).

Which retirement plan am I eligible for?

- New Faculty and FLSA-exempt staff have a choice of participation in the Optional Retirement Program (ORP) or the Tennessee Consolidated Retirement System (TCRS)
- ORP members who leave and return to service without withdrawing their full account balance will be re-enrolled in the ORP plan they were enrolled in previously
- State of Tennessee Retirement Plan members who leave and return to service without losing TCRS membership should be reenrolled in the TCRS plan they were enrolled in previously unless they are newly eligible for ORP and wish to participate.
